

# Open Call to Artists *Music as* MUSE

**Submit Visual Art Inspired by Music!**

Music wakes us up and inspires us!  
It can be the voice of change for the future as well as stabilizing roots to our past.  
It can break through barriers and be comfort for our soul.  
Create an original piece of art inspired by a song or piece of music. Please be sure your music is available on Spotify. For Original music, please record it and make it available on Spotify.  
(We can help you do that if needed.)
